## Summary

Motivated and detail-oriented Computer Engineering student with practical experience in frontend development and leadership roles. Proficient in HTML, CSS, JavaScript, and React, with a strong foundation in object-oriented programming and data structures. Adept at collaborating in team environments and driving innovative web solutions.

## Skills

**Languages:** HTML, CSS, JavaScript, Python, Java, C++

**Technologies & Tools:** ReactJS, Bootstrap, Git, GitHub

## Education

### UET Lahore

B.Sc. Hons, Computer Engineering

November 2021 - Present

**CGPA: 3.5**

**Relevant Coursework:** Object Oriented Programming, Databases, Discrete Maths, Data Structures and Algorithms, Operating Systems, Computer Networks, Machine Learning, Advance Data Structures and Algorithms.

## Work Experience

### CodSoft (Remote)

August 2023 - September 2023

#### Frontend Internship

- Collaborated on frontend projects, ensuring timely completion of tasks and implementation of responsive designs.
- Contributed to the development of innovative web solutions through active participation in team discussions.
- Gained practical experience in HTML, CSS, JavaScript, and React.

### Prodigy Infotech (Remote)

September 2023 - October 2023

#### Frontend Internship

- Contributed to web application development, completing assigned tasks and participating in code reviews.
- Demonstrated adaptability in a fast-paced environment, delivering high-quality results within tight deadlines.
- Enhanced frontend development skills, focusing on HTML, CSS, JavaScript, and React.

### Bytewise Limited (Remote)

June 2024 - August 2024

#### MERN Stack Internship

- Worked on full-stack web applications using the MERN (MongoDB, Express, React, Node.js) stack, contributing to both frontend and backend development.

### TiresLimited (Remote)

June 2024 - August 2024

#### MERN Stack Internship

- Developed and maintained full-stack web applications using the MERN stack, focusing on performance and usability.

### ACM UET Lahore

March 2023 - November 2023

#### Director of Design

- Led design projects and contributed to the creative process in web development and graphic design.

### ACM UET Lahore

November 2023 - March 2024

#### Co-Lead of Web Development

- Guided team projects and enhanced web development processes, focusing on innovative technology integration.

**Zimal UET Lahore**

November 2023 - June 2024

**Director of Finance**

- Managed financial operations and budget planning for university events and activities.

## Project Work

---

- **Personal Portfolio:** Designed a visually captivating portfolio from scratch. [\[Link\]](#)
- **App Landing Page:** Engineered a captivating entry point for enhanced user engagement. [\[Link\]](#)
- **Stopwatch Application:** Created a user-friendly timekeeping solution for enhanced productivity. [\[Link\]](#)
- **Arithmetic Calculator:** Developed a calculator application with advanced arithmetic functions. [\[Link\]](#)
- **TIC TAC TOE Web Application:** Leveraged React to elevate the gaming interface for a seamless user experience. [\[Link\]](#)
- **I-Coder Web Application:** Engineered an intuitive website for quick and reliable information. [\[Link\]](#)
- **Snake Game Application:** Crafted an addictive gaming experience through intuitive controls and vibrant design. [\[Link\]](#)
- **Interactive Counter App:** Developed an interactive app with increment and decrement features using React. [\[Link\]](#)
- **Centralized E-Commerce Cart:** Built a centralized cart system for an e-commerce platform using React. [\[Link\]](#)
- **OpportunityKnock:** Created and deployed a job finding website with add and delete job features, using React and backend services, hosted on Vercel. [\[Link\]](#)
- **Traveler's Haven.co Application:** Implemented a frontend-powered website for strategic decision-making. [\[Link\]](#)
- **Memory Game:** Developed an engaging memory game with card-matching mechanics using HTML, CSS, and JavaScript. [\[Link\]](#)
- **Quiz App:** Created a responsive quiz application featuring interactive questions and answers using HTML, CSS, and JavaScript. [\[Link\]](#)
- **Responsive Todo List App:** Developed a responsive todo list application with task management features using React.js, Redux, and Tailwind CSS. [\[Link\]](#)

## Leadership and Extracurricular

---

**Fast Dev Labs**

August 2023 - Present

**Campus Ambassador**

- Promoted company initiatives and programs across the campus, enhancing brand awareness and student engagement.

**Zimal UET Lahore**

June 2024 - Present

**Event Coordinator**

- Coordinated and managed university events, ensuring seamless execution and effective team collaboration.
